

Cleaner Maintainer

Operations Group
Full-Time Indeterminate Position(s)

About Us

SNOLAB is an international facility for world-class underground physics research and has an expanding programme in astroparticle physics and underground science. Located in an air-conditioned clean room 2 km underground in the Vale Creighton Mine near Sudbury Ontario, with a suite of surface facilities and laboratories, SNOLAB is currently preparing for the next generation of experiments focusing on neutrino studies and the search for galactic dark matter.

The Position

The Cleaner Maintainer will provide:

- High quality cleaning and light maintenance services for SNOLAB underground laboratory areas and clean-room laboratories and the surface building including its clean-room laboratories. This will include cleaning at heights utilizing ladders, elevating scissor work platforms, and one-person man-lifts. Provide dedicated entire surface wipe downs of materials entering the underground lab.
- Light maintenance for SNOLAB including catch basin cleanouts, minor furniture/shelving repairs, painting, scaffolding erection and assisting electrical and mechanical tradespersons in installing cabling, anchor placements, rigging and piping installs.
- Collecting/sealing/packaging of waste bags for shipping, doing laundry, moving furniture, equipment and supplies within the labs and similar lab upkeep.

All tasks require lifting, carrying and moving/arranging items while walking, standing, stooping, crawling and kneeling.

Produce and complete administrative records for receipt/cleaning and processing of articles entering the underground SNOLAB.

Criteria

Education:

Candidate shall have a minimum of Grade 12 plus relevant training.

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2
☎ 705.692.7000 🌐 www.snolab.ca

Experience:

A minimum of 6 months of experience in commercial/institutional building cleaning; and
A minimum of 6 months of experience in light maintenance.

Salary Range

Salary will be determined by qualifications and experience and includes an attractive benefits package. This position is covered by the Collective Agreement between the SNOLAB Institute and the United Steelworkers Local 2020. To meet operational needs, shift work may be required.

To Apply

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume.

Closing Date

The posting will remain open until the position is filled, but review of applications will commence August 28, 2020. SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, Indigenous persons, members of visible minorities and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.
