

2018 SNOLAB PHOTOWALK TERMS AND CONDITIONS

Please note that these regulations may be amended before the deadline to the 2018 SNOLAB Photowalk competition. Please carefully review the instructions before applying to the competition or submitting your images.

GOAL OF THE SNOLAB PHOTOWALK

This event offers a rare opportunity for photographers to visit SNOLAB, a world leading underground research facility located in Sudbury, ON. SNOLAB is opening its doors to this event along with the world's major physics facilities and the top photos will go on to an international competition. The Photowalk event will also provide SNOLAB with a fresh portfolio of stunning images to raise awareness of the exciting science and technology that is underway here.

ENTRY

- There is no cost to enter the competition. Only individuals over the age of 18 are eligible to enter the competition.
- All eligible entrants must abide by the terms and conditions of the 2018 Photowalk competition.
- The photo walk is open to amateur and professional photographers.
- Only photographers who have applied and received an acceptance notice are permitted to participate.
- Entrants must be at SNOLAB at the advertised date and time of the Photowalk, with a valid government issued photo ID that matches the name on their registration package.
- The SNOLAB Photowalk will take place on two dates; Friday June 1 and Friday June 29, 2018.
- Spaces are limited to a total of 20 entrants (10 on each date) for the 2018 SNOLAB Photowalk.

PHOTO SUBMISSIONS

- All photographs entered into the 2018 SNOLAB Photowalk competition must have been taken during the officially organized Photowalk event **ONLY**.
- Competition entries – photographers can take as many pictures as they wish during their visit, but will only be able to submit a maximum of **five** photos (*minimum resolution 5MB*) for the competition which subsequently SNOLAB is able to use for educational and promotional purposes, with an appropriate credit.
- Photographers will include a short description of each of the five photos submitted.
- Photographers can submit as many additional pictures (minimum resolution 5MB) as they wish and the best of these will be used by SNOLAB as they wish with an appropriate credit.
- Files must be named in the following way: last name of photographer, underscore, first name, underscore, followed by a two-digit sequence number starting with 01. Examples for photographer John Smith: smith_john_01, smith_john_02, etc.
- All images must be submitted in digital format. No hard copy prints will be accepted for judging.
- On the day of the Photowalk, photographers will be given details of how to submit their entries.
- All images must be entered into the competition **by Monday July 16 2018**.

- Single images may be digitally enhanced to remove spots or scratches, improve sharpening, for colour correction and brightness and contrast adjustment but not manipulated. The SNOLAB judging panel reserve the right to exclude any image they believe may have been excessively treated so as to alter its authenticity. No montages or artificially framed entries will be accepted.
- Images can be in colour or greyscale and should be submitted in JPEG format.
- Judges will be looking for novel interpretations and eye-catching images depicting the people who work at SNOLAB and the cutting- edge science that SNOLAB undertakes.
- A local panel of judges will determine a shortlist of 10 winning photographs from the 2018 SNOLAB Photowalk. The same panel will select the top three photos that will go on to the global Photowalk competition held by the Interactions Collaboration.
- SNOLAB reserves the right to print and display the images (with credit to the photographer) at events.

DEADLINE

- Entrants must ensure that SNOLAB receives their 5 chosen images by 5:00PM ET on **Monday July 16 2018**. Photos can be submitted online or on a digital storage device such as a USB or DVD. The detailed photo submission instructions will be provided on the day of the Photowalk.
