

# Mechanical Maintainer

Operations Group  
Full-Time Indeterminate Position

## About Us

SNOLAB is an international facility for world-class underground physics research and has an expanding programme in astroparticle physics and underground science. Located in an air-conditioned, clean room 2 km underground in the Vale Creighton Mine near Sudbury, Ontario, with a suite of surface facilities and laboratories, SNOLAB is currently preparing for the next generation experiments focusing on neutrino studies and the search for galactic dark matter.

## The Position

This position is primarily underground with occasional surface work.

- Perform activities including tramping, forklift operation, handling supplies, nitrogen transfers, shipping and receiving.
- Install, maintain and repair industrial machinery, HVAC systems and laboratory equipment.
- Assist with the cleanliness program.
- Shift work is required.

This position involves lifting and other physically demanding activities. Work in confined spaces, at elevated heights, in high temperatures, dusty or high noise environments is required.

## Criteria

### Education:

- Grade 12 Diploma required.
- Post-secondary education in a related field of study preferred.

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2  
☎ 705.692.7000 🌐 [www.snolab.ca](http://www.snolab.ca)

## Experience:

- operation of heavy equipment, including diesel locomotives, forklifts and aerial work platforms;
- troubleshoot and repair mechanical equipment;
- use of hand and power tools;
- erecting and installing scaffolding, hoisting equipment, and rigging is an asset;
- knowledge of preventative maintenance programs an asset;
- experience with electronic shipping and receiving systems is an asset.

Minimum of 2 years' experience or equivalent required.

## Salary Range

Qualifications and experience will determine the salary and includes an attractive benefits package. This position is part of United Steelworkers Local 2020.

## To Apply

Submit applications to [jobs@snolab.ca](mailto:jobs@snolab.ca). **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume.

## Closing Date

The posting will remain open until the position is filled, but the review of applications will commence **January 29, 2021**. SNOLAB thanks all applicants for their interest; however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourages applications from all qualified applicants, including women, Indigenous persons, members of visible minorities and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.

Further information about SNOLAB may be found at [www.snolab.ca](http://www.snolab.ca)
