

Education and Outreach Coordinator

Full-Time Indeterminate Position
Education and Outreach Group

About Us

SNOLAB is an international facility for world-class underground physics research and has an expanding program in astroparticle physics and underground science. Located in an air-conditioned clean room 2 km underground in the Vale Creighton Mine near Sudbury Ontario, with a suite of surface facilities and laboratories, SNOLAB is currently preparing for the next generation of experiments focusing on neutrino studies and the search for galactic dark matter.

The Position

The Education and Outreach Coordinator is responsible for coordinating communications, and scientific outreach activities with outreach partners including Science North, the Perimeter Institute, TRIUMF, and the public. This position is responsible for producing educational and promotional material about SNOLAB for scientists, schools, and the public, as well as delivering scientific tours for guests to SNOLAB. This position also produces and maintains content for the web.

Criteria

Education

- A bachelor's Degree in Physics, Chemistry or a related degree in Education, Science or Engineering.

Experience

- Experience working in a communication or education role.
- Demonstrated strong verbal and written communication skills.
- Excellent proofreading and editing skills.
- Proficiency in copywriting, editing, and preparing briefing documents
- Demonstrated proficiency in education and communication best practices.
- Experience working with the public is considered an asset.
- Experience developing videos or digital media considered an asset.

Salary Range

Salary will be determined by qualifications and experience and includes an attractive benefits package. Relocation assistance will be determined in accordance with SNOLAB policies.

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2

☎ 705.692.7000 🌐 www.snolab.ca

To Apply

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume.

Closing Date

The posting will remain open until the position is filled, but a review of applications will commence on **January 31st, 2022**.

SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, Indigenous persons, members of visible minorities, and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.
