

Operator

Full-Time Indeterminate Position

Operation Group

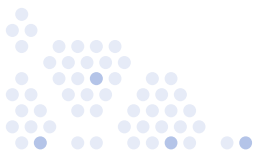

About Us

SNOLAB is an international facility for world-class underground physics research and has an expanding programme in astroparticle physics and underground science. Located in an air-conditioned clean room 2 km underground in the Vale Creighton Mine near Sudbury Ontario, with a suite of surface facilities and laboratories, SNOLAB is currently preparing for the next generation of experiments focusing on neutrino studies and the search for galactic dark matter.

The Position

This position is primarily responsible for providing wide-range support for operations, cleaning, as well as light maintenance duties. The candidate will be expected to:

- Provide general support for operations in all areas.
- Perform routine light maintenance of laboratory systems. Assist in operation of basic systems.
- Follow established procedures with due care. Refine and revise existing procedures.
- Provide support for scientists.
- Accurate data taking, including reading, and recording flow meters, gauges and recording instruments to measure process variables.
- Measure, mix and utilize chemicals. Handle Liquid Nitrogen (LN2) and bottled gases. Inspect and/or assemble system components.
- Collect and test process samples for chemical properties. Complete and maintain log sheets and databases.
- Assist in cleaning (e.g. carwash cleaning of supplies and components, ultrasonic cleaning, blitz area cleaning, clear coating, painting).

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2

Criteria

Education:

Post secondary degree/diploma in a relevant field

Experience:

- 1-year relevant work experience.
- Knowledge of safe working techniques and practices
- Effective oral and written communication skills
- Ability to follow instructions and work independently
- Proficient computer skills

Salary Range

Salary will be determined by qualifications and experience which includes an attractive benefits package. This position is part of United Steelworkers Local 2020.

To Apply

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume.

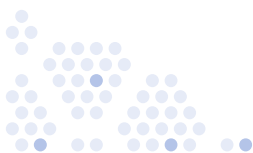

Closing Date

February 6, 2023

Applications will be accepted until **4:00 PM Eastern Time**.

SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, Indigenous persons, members of visible minorities and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.
