

Cleaner Maintainer

Indeterminate Position, Operations Division, Current Vacancies

About Us

SNOLAB is Canada's deep-underground science laboratory, located at a depth of 2 kilometers in Vale's Creighton Mine near Sudbury, Ontario. The facility supports world-class astroparticle physics research and has attracted innovative life science and quantum technology programs. SNOLAB operates in a controlled, air-conditioned clean-room environment, supported by a suite of surface facilities and laboratories, supported by a multidisciplinary team of scientists, engineers, skilled tradespeople, technical staff, and support staff.

By hosting and enabling the world's most advanced and sensitive underground experiments, SNOLAB bolsters Canada's scientific reputation, attracts new talent to our country and Northern Ontario, trains more highly skilled people, provides more opportunities for Canadian researchers to lead international projects, and generates economic benefits for Ontarians and Canadians.

About the Role

The Cleaner Maintainer is primarily responsible for maintaining SNOLAB's Class 2000 cleanroom to required cleanliness standards, ensuring the space is consistently clean, controlled, and ready for scientific work. This role follows strict cleaning protocols and procedures to protect the integrity of the laboratory environment.

Additional maintenance and operational tasks, including minor repairs and general facility upkeep, are performed as required and are outlined in the responsibilities section.

- Cleaning of all areas of SNOLAB UG laboratory and the surface building.
- Operate industrial vacuum cleaners to remove scraps, dirt, heavy debris and other refuse.
- Operate Hepa vacuum cleaners to clean floors, walls, ceilings and infrastructure to remove dust, dirt, fine particles and light debris.
- Vacuum, mop and scrub floors and stairs.
- Wash interior surfaces, walls and ceilings.

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2
☎ 705.692.7000 🌐 www.snolab.ca

- Receiving and sending shipments to and from surface and cleaning as required.
- Doing laundry and housekeeping.
- Provide maintenance support for the lab.
- Locating suitable suppliers, initiating purchase orders and making necessary repairs.
- Light maintenance for SNOLAB including catch basin cleanouts, minor furniture/shelving repairs, painting and assisting electrical and mechanical tradespersons in installing cabling, anchor placements, rigging and piping installs.
- Collecting/sealing/packaging of waste bags for shipping, doing laundry, moving furniture, equipment and supplies within the labs and similar lab upkeep.
- Adhere to stated policies and procedures relating to health and safety, quality management and quality assurance.

Applications will be accepted until the position is filled.

Education and Experience:

- Secondary School (High School) Diploma or equivalent.

Knowledge, Skills and Abilities:

- Knowledge of safe working techniques and practices.
- Ability to understand and follow written instructions.
- Ability to perform custodial duties.
- Ability to clean at heights utilizing ladders, elevating scissor work platforms and one-person man-lifts.
- Ability to operate basic commercial/industrial cleaning equipment.
- Ability to provide routine maintenance support including but not limited to painting, mechanical installations, minor plumbing repairs etc.
- Teamwork.
- Computer Skills.

Physical Requirements:

This position will require the incumbent to work underground and must exhibit:

- Moderate physical exertion and manual dexterity.
- Ability to walk long distances in an industrial setting.
- Ability to lift and carry items ranging in weight from 10-50lbs.

Salary Range: \$47,690 - \$50,957 per annum

Total Rewards:

- Employer paid dental, extended health, vision care, emergency travel assistance, Employee Assistance Program (EAP), Life Insurance, and supplementary Wellness Benefits.
- Excellent Employee Pension Plan
- Disability benefits, and optional additional Life insurance and Accidental Death & Dismemberment (AD&D)
- Generous paid time off
- Maternity and paternity leave supplement pay

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume.

SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, Indigenous persons, members of visible minorities and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.

Further information about SNOLAB may be found at www.snolab.ca

SNOLAB is located on the traditional territory of the Robinson-Huron Treaty of 1850, shared by the Indigenous people of the surrounding Atikameksheng Anishnawbek First Nation as part of the larger Anishinabek Nation.

We acknowledge those who came before us and honour those who are the caretakers of this land and the waters.
