

Computer Technologist

Corporate Services

Full-Time Indeterminate Position, Current Vacancy

About Us

SNOLAB is Canada's deep-underground science laboratory, located at a depth of 2 kilometers in Vale's Creighton Mine near Sudbury, Ontario. The facility supports world-class astroparticle physics research and has attracted innovative life science and quantum technology programs. SNOLAB operates in a controlled, air-conditioned clean-room environment, supported by a suite of surface facilities and laboratories, supported by a multidisciplinary team of scientists, engineers, skilled tradespeople, technical staff, and support staff.

By hosting and enabling the world's most advanced and sensitive underground experiments, SNOLAB bolsters Canada's scientific reputation, attracts new talent to our country and Northern Ontario, trains more highly skilled people, provides more opportunities for Canadian researchers to lead international projects, and generates economic benefits for Ontarians and Canadians.

The Position

The Computer Technologist will be responsible for establishing, operating, maintaining information technology systems throughout SNOLAB, both for SNOLAB and experiments. The successful candidate will be expected to implement and manage computing infrastructure and applications on local and wide-area networks, computers, servers and other systems.

Successful IT Technologists at SNOLAB will:

- Administration, upgrading, maintenance and monitoring of company's on-premise/cloud systems, and end user devices.
- Installation and configuration of physical and virtual servers and client PCs.
- Provide helpdesk support for IT related issues.
- Scope and execute projects; alone or as part of a team
- Collaborate with vendors and 3rd party consultants in support of the SNOLAB IT infrastructure
- Collaborate with experimenters to leverage the SNOLAB computing environment to further scientific research
- Account and security administration.
- Application management & support (Office 365, various line of business applications, web sites, wikis, databases, etc)

📍 Creighton Mine #9, 1039 Regional Road 24, Lively, ON P3Y1N2
☎ 705.692.7000 🌐 www.snolab.ca

- Network administration/configuration (routers, switches, Wifi Access Points, firewalls, VPN, etc)
- Automation of routine/recurring tasks where possible.
- Create and maintain technical and end user documentation, procedures, and IT policies.

Closing Date: July 27th, 2026

Applications will be accepted until **11:59pm Eastern Time.**

Education and Experience:

- Bachelor's degree/community college diploma in technology or computer science, and/or industry recognized IT certifications and work experience.
- Experience with administration of Microsoft Windows, Active Directory, Hyper-V, Azure, Office 365 applications
- Experience using Linux, Mac OS, IOS, and Android is an asset.
- Experience with scripting and automation tools (including Powershell, VBScript) and web development and coding are desirable assets.
- Experience with networking (TCP/IP, DHCP, DNS, VPN, VLANs and Wi-fi) in a Cisco environment.

Salary Range: \$ 77,749 to \$86,745 per annum

Total Rewards:

- Employer paid dental, extended health, vision care, emergency travel assistance, Employee Assistance Program (EAP), Life Insurance, and supplementary Wellness Benefits.
- Excellent Employee Pension Plan
- Disability benefits, and optional additional Life insurance and Accidental Death & Dismemberment (AD&D)
- Generous paid time off
- Maternity and paternity leave supplement pay

All applications must be submitted to jobs@snolab.ca. **Please do not fax or mail your applications.** By applying to the e-mail address, your application becomes available to managers immediately. Interested candidates should include a cover letter and resume. SNOLAB thanks all applicants for their interest, however, only those candidates considered for an interview will be contacted.

SNOLAB is committed to equity in employment and encourage applications from all qualified applicants, including women, Indigenous persons, members of visible minorities and persons with disabilities. In accordance with Canadian immigration requirements, priority will be given to Canadian citizens and permanent residents.

SNOLAB will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs.
